Dear Sirs and Mesdames:

RE: CSA Notice and Request for Comment - Proposed Amendments and Proposed Changes to Implement an Access-Based Model for Investment Fund Reporting Issuers ("Proposed Amendments")

As background, Capital International Asset Management (Canada), Inc. ("CIAM") is part of The Capital Group Companies, Inc. ("Capital Group"), a global investment management firm which originated in 1931. The firm has extensive experience in many countries and with various global regulatory authorities. CIAM serves as a manager and trustee to the Capital Group mutual funds in Canada, which are subadvised by its U.S. affiliate, Capital Research and Management Company, a wholly-owned subsidiary of Capital Group. CIAM is currently registered as an investment fund manager, portfolio manager and exempt market dealer in various provinces across Canada.

We appreciate the opportunity to provide comments on the Proposed Amendments regarding alternatives to delivering certain continuous disclosures documents. As an overall comment, we are pleased with the CSA's efforts towards reducing regulatory burden by enabling a cost-efficient, timely and environmentally friendly method of making these documents available to investors.

As this is such a critical initiative for mutual fund issuers and investors, we are strongly in favour of the Proposed Amendments and support the comment letter as submitted by our industry organization, The Investment Funds Institute of Canada. Thank you again for the opportunity to provide our comments.

Yours truly,

CAPITAL INTERNATIONAL ASSET MANAGEMENT
(CANADA), INC.
