#### **Conduct Contrary to the Public Interest**

#### (a) Fulcrum

- 15. Fulcrum and its representatives, which include Van Dyk and Rogers, have made misleading representations to investors, including representations regarding the future listing and future value of the Subject Securities, contrary to s. 38 of the Securities Act and contrary to the public interest.
- 16. Fulcrum and its representatives, which include Van Dyk and Rogers, purport to rely on the registration and prospectus exemptions contained in OSC Rule 45-501 in circumstances where the exemptions contained therein are not available.
- Fulcrum and its representatives are not registered to trade the Subject Securities, contrary to s.25 of the Securities Act and contrary to the public interest.
- 18. No prospectus receipt has been issued to qualify the sale of the Subject Securities, contrary to s.53 of the Securities Act and contrary to the public interest.
- 19. As President and sole Director of Fulcrum, Van Dyk has authorized, permitted or acquiesced in the breach of s.25, s.38 and s.53 of the Securities Act by Fulcrum and its representatives and has engaged in conduct contrary to the public interest.

#### (b) Reindorf

1.3.1 Divisional Court Dismisses Appeal in the Matter of Patrick Fraser Kenyon Pierrepont Lett, Milehouse Investment Management Limited and Pierrepont Trading Inc.

FOR IMMEDIATE RELEASE February 22, 2006

DIVISIONAL COURT DISMISSES APPEAL
IN THE MATTER OF
PATRICK FRASER KENYON PIERREPONT LETT,
MILEHOUSE INVESTMENT MANAGEMENT LIMITED
AND PIERREPONT TRADING INC.

**TORONTO** – By reasons dated February 15, 2006, the Ontario Divisional Court dismissed the appeal of the Ontario Securities Commission decision on the merits In the Matter of Patrick Fraser Kenyon Pierrepont Lett, Milehouse Investment Management Limited and Pierrepont Trading Inc. The Divisional Court decision related to the appeal by Lett, Milehouse and Pierrepont of a decision of the Commission dated March 18, 2004.

The Commission had found that Lett, Milehouse and Pierrepont (the Respondents) traded in securities without registration, contrary to section 25(1) of the Ontario Securities Act. The Commission found that the Respondents, none of whom were registered under the Act, offered a high yield program that had such characteristics sufficient to constitute an "investment contract" and, as such, a "security" as defined in the Act. The Commission also found that the Respondents' actions constituted acts in furtherance of a trade on the basis that the Respondents accepted \$21 million from seven investors, attempted to forward the funds to purchase a bank guarantee or debenture in order to gain access to the high yield program and repeatedly provided proof of funds letters to third parties.

On May 7, 2004, the Commission ordered that Milehouse and Pierrepont cease trading in securities for 15 years, that Lett cease trading in securities for 10 years, that Lett resign from any positions he holds as director or officer of any reporting issuer or registrant and is prohibited from any such position for 15 years, that Lett be reprimanded and that Lett pay the costs of staff's investigation and hearing in the amount of \$150,000.

The Respondents appealed the following two findings made by the Commission: 1) that the high yield program was a security and 2) that the activities of the Respondents were in furtherance of a trade. In dismissing the appeal, the Divisional Court noted that the "two crucial findings made by the Commission reasonably arose from the agreed upon facts. Accordingly the appeal must be dismissed."

#### AND

# IN THE MATTER OF CANADIAN SCHOLARSHIP TRUST FOUNDATION (the Filer)

#### MRRS DECISION DOCUMENT

#### **Background**

The local securities regulatory authority or regulator (the Decision Maker) in each of the Jurisdictions has received an application from the Filer on behalf of certain scholarship plans sponsored and administered by the Filer for a decision under the securities legislation of the Jurisdictions (the Legislation) that the requirements in the Legislation for an investment fund to prepare and file an annual information form (the AIF Requirements) shall not apply to such group scholarship plans.

Under the Mutual Reliance Review System for Exemptive Relief Applications

- the Ontario Securities Commission is the principal regulator for this application, and
- (b) this MRRS decision document evidences the decision of each Decision Maker.

#### Interpretation

Defined terms contained in National Instrument 14-401 *Definitions* have the same meaning in this decision unless they are defined in the decision.

#### Representations

This decision is based on the following facts represented by the Filer:

- The Filer is a non-profit corporation without share capital incorporated by Letters Patent dated December 15, 1960 under the Canada Corporations Act.
- Each of the following scholarship plans (each, a Plan and, collectively, the Plans) is sponsored and administered by the Filer:
  - (i) The Canadian Scholarship Trust Plan Plan I (Plan I);
  - (ii) The Canadian Scholarship Trust Plan Plan II (Plan II);
  - (iii) The Canadian Scholarship Trust Plan The Founders' Plan (the Founders' Plan); and
  - (iv) The Canadian Scholarship Trust Plan Group Savings Plan 2001 (the Group Savings Plan 2001)
  - (v) The Canadian Scholarship Trust Plan Group Savings Plan (the Original Group Savings Plan).
  - (vi) The Canadian Scholarship Trust Plan Individual Savings Plan (each, an Individual Plan); and
  - (vii) The Canadian Scholarship Trust Plan Family Savings Plan (each, a Family Plan).

Plan I, Plan II, Founders' Plan and the Original Group Savings Plan are hereinafter collectively referred to as the Discontinued Plans.

 Each of the trusts that has offered a Plan or is currently offering a Plan is a reporting issuer or the equivalent thereof as defined in the securities legislation of each Jurisdiction.

- 4. Plan I, Plan II and Founders' Plan are all part of a single trust known as Canadian Scholarship Trust Plan. Each of the Discontinued Plans is an investment fund in the Jurisdictions for the purposes of National Instrument 81-106 Investment Fund Continuous Disclosure (NI 81-106).
- 5. The Original Group Savings Plan and the Group Savings Plan 2001 are part of a single trust known as Canadian Scholarship Group Savings Plan Trust. Each of the Original Group Savings Plan and the Group Savings Plan 2001 is an investment fund for the purposes of NI 81-106.
- 6. The current offering of the Plans (other than the Discontinued Plans) is being made pursuant to a prospectus dated June 20, 2005, in respect of the continuous offering of education savings plan agreements for the sale of units in the case of the Group Savings Plan 2001, and scholarship savings plans in the case of the Individual Plan and the Family Plan.
- Scholarship plan agreements evidencing interests in the Discontinued Plans are no longer being offered for sale, and therefore there is no current prospectus for the Discontinued Plans. Sales of interests in the Discontinued Plans ceased on the respective dates set out below:
  - (a) Plan I November 30, 1979;
  - (b) Plan II September 1, 1988;
  - (c) Founders' Plan July 12, 2000; and
  - (d) Original Group Savings Plan April 27, 2001.

On April 27, 2001, the Group Savings Plan 2001 was established as a separate investment pool for future contributions under group education savings plan agreements entered into after that date in order to segregate funds contributed according to different contribution schedules.

- 8. The Discontinued Plans are group scholarship plans. These plans are structured as long term savings plans designed to help the contributors (each, a "Subscriber") save amounts to assist the beneficiary designated by the Subscriber in paying for the expenses of the beneficiary's post-secondary education.
- 9. Each Subscriber committed in their respective scholarship plan agreements to make contributions to a Plan in accordance with a predetermined deposit schedule. The deposit schedules for group scholarship plans such as the Discontinued Plans are designed to generate approximately the same amount of income per unit for all beneficiaries of contributors to the same

- plan who are expected to commence their postsecondary education in the same year. This is the year in which a Subscriber's scholarship plan agreement matures and is the basis for determining the year (a "Year of Eligibility") in which the beneficiaries of scholarship plan agreements maturing in the same year will become eligible to collect their first education assistance payments (each an "EAP").
- 10. The principal contributed to a Discontinued Plan by a Subscriber is returned to the Subscriber after the maturity date specified in the Subscriber's scholarship plan agreement when the Foundation receives evidence that the Subscriber's beneficiary is enrolled in a qualifying educational program. At the maturity date, income earned on contributions made in respect of beneficiaries sharing the same Year of Eligibility is pooled in a fund (an "EAP Fund") out of which EAPs are made to these beneficiaries subsequent to enrolment as students in a qualifying educational program. The EAPs may also include (i) a share of income earned on contributions made by other Subscribers with beneficiaries sharing the same Year of Eligibility whose participation in the same Plan terminated before maturity or whose beneficiaries did not claim the maximum number of EAPs, (ii) income earned after maturity on any principal not withdrawn from the Plan at maturity. and (iii) discretionary amounts that may be paid by the Foundation out of its general funds.
- A beneficiary of a Subscriber to a Discontinued Plan is eligible to receive EAPs out of the applicable EAP Fund, representing the beneficiary's proportionate interest in the fund for his or her Year of Eligibility together with the corresponding amount of government grants (and income earned thereon) that have been contributed to the Plan for the beneficiary. The number of EAPs actually paid depends on whether the beneficiary is enrolled in an eligible educational program in each of the years during which EAPs are paid out to beneficiaries sharing that Year of Eligibility.
- 12. All of the Plan I scholarship plan agreements have reached their maturity dates. The final EAPs will be paid to beneficiaries of Plan I in 2006, following which Plan I will be wound up. The final maturity dates for outstanding scholarship agreements in the case of Plan II and Founders' Plan fall in 2010 and 2017, respectively. The latest EAP payments out of Plan II and Founders' Plan are expected to be made within 7 years of these final maturity dates. The final maturity dates for outstanding scholarship plan agreements for the Original Group Savings Plan will fall in 2020. The latest EAP payments out of this plan are expected to be made within 8 years of the final maturity dates.

- 13. While a Subscriber is entitled to a repayment of principal in the event of the early termination of a scholarship plan agreement, the income earned on the amount of that principal is forfeited unless the Subscriber transfers all amounts held in the Subscriber's accounts under a Discontinued Plan to an Individual Plan or a Family Plan.
- 14. The Filer intends to continue to annually file a renewal prospectus to permit the continued offering of the Group Savings Plan 2001 or another group scholarship plan that operates on substantially similar terms and conditions as the Group Savings Plan 2001.
- 15. The significant differences between the Group Savings Plan 2001 and Plan 1, Plan II and Founder's Plan occur in the following areas:
  - (a) contribution schedules;
  - (b) definition of qualifying educational program;
  - (c) limitations on the age by which a different child can be substituted for a beneficiary;
  - (d) the timing of the payment of the first education assistance payment and the maximum number of education assistance payments for which a child is eligible; and
  - (e) terms of the enrolment fee refund.
- 16. Aside from different contribution schedules, there is no distinction between the Original Group Savings Plan and the Group Savings Plan 2001, except with regard to the timing of the potential enrolment fee refund.
- 17. Section 9.2 of NI 81-106 requires an investment fund that does not have a current prospectus as at its financial year-end to file an AIF.
- Most investment funds follow a disclosure regime that allows them to omit information from their prospectuses provided that this information is accessible to investors and prospective investors in an AIF. Scholarship plans are not permitted to use this simplified system and there is no requirement for scholarship plans to include the information required by the form for an AIF in a prospectus.

#### **Decision**

Each of the Decision Makers is satisfied that the tests contained in the Legislation that provides the Decision Maker with the jurisdiction to make this decision has been met.

The decision of the Decision Makers under the Legislation of each Jurisdiction is that the Filer shall not be required to prepare and file an annual information form for the Discontinued Plans in accordance with the AIF Requirement, provided that:

- (a) the renewal prospectuses for the Group Savings Plan 2001 discloses the material details of the significant differences between the Discontinued Plans and the Group Savings Plan 2001;
- (b) at the request of a Subscriber to a Discontinued Plan, the Filer will send, without charge, to the Subscriber within ten days after the Filer receives the request, a copy of the most recent prospectus for the Group Savings Plan 2001; and
- (c) for each Jurisdiction, this decision shall terminate one year after the coming into forceof any rule or other regulation under the Legislation of the Jurisdiction that relates, in whole or in part, to continuous disclosure applicable to scholarship plans.

#### **DECISION DOCUMENT**

#### **Background**

The Ontario Securities Commission (the **Commission**) has received a joint application from Northwood Stephens on behalf of the Funds and the Auditors for a decision from the Commission exempting

- (a) the Funds from the requirements under section 2.2 of NI 52-108 and
- (b) the Auditors from the requirements under section 2.1 of NI 52-108,

such that the Commission may accept the Auditors' Report dated February 8, 2005 issued on the Funds' annual financial statements dated December 31, 2004 (the **Requested Relief**).

#### Representations

This decision is based on the following facts represented by Northwood Stephens and the Auditors:

- Northwood Stephens is a corporation organized under the laws of Ontario. Northwood Stephens is the manager and trustee of the Funds.
- Each of the Funds is a trust governed by the Amended and Restated Declaration of Trust dated November 30, 2005, made under the laws of the Province of Ontario.
- Units of the Funds are currently qualified for distribution in the province of Ontario pursuant to a simplified prospectus and an annual information form, respectively, each dated November 30, 2004, as amended by amendment no. 1 dated August 18, 2005 and amendment no. 2 dated October 14, 2005.
- The Funds are reporting issuers in Ontario. The Funds are not on any list of defaulting reporting issuers maintained by the Commission.
- 5. The Auditors audited the annual financial statements of the Funds for the year ended December 31, 2004 (the Financial Statements) and issued their Auditors' report thereon (the Auditors' Report) on February 8, 2005. The Financial Statements were filed via SEDAR on May 18, 2005 and mailed to unitholders of the Funds.
- On October 28, 2005, a pro forma simplified prospectus and annual information form of the Funds were filed under SEDAR project number 845982.
  - On December 7, 2005, in obtaining the Auditors' consent to the use of the Auditors' Report through incorporation by reference in the Funds' final form simplified prospectus and annual information form (together, the **Final Documents**), the Funds were advised by the Auditors that on February 7, 2005, a partner of the Auditors who ceased to be an active partner effective May 1, 2005 (the Non-Active Partner) had purported to withdraw the Auditors from the Canadian Public Accountability Board (CPAB) oversight program (the Program). Despite the fact that the Non-Active Partner had not properly filed a "Notice of Withdrawal" as required by the rules of the CPAB, the Auditors' status as a participant in the Program and their participation agreement with the CPAB was considered terminated. It was consequently determined that the Auditors' Report dated February 8, 2005 had been issued as at a date when the Auditors were no longer a participating audit firm (as that term is defined in NI 52-108), contrary to the requirements of NI 52-

February 24, 2006 (2006) 29 OSCB 1642

7.

- Up until the date of their withdrawal from the CPAB Program, the Auditors were in compliance with any restrictions or sanctions imposed by the CPAB.
- On December 8, 2005, having discovered that the Non-Active Partner had withdrawn the Auditors from the CPAB, the Auditors filed an "Intent to Participate" in the Program and the CPAB has indicated to the Auditors that the Auditors' participation in the Program should be reinstated in early 2006.
- On December 9, 2005, the Auditors issued a letter to the OSC which explained that their withdrawal from the Program was done in error and should not have taken place.
- 11. On December 12, 2005, the Commission advised that the Auditors and the Funds would need to apply for an exemption pursuant to section 4.1 of NI 52-108 in order that the Funds may be issued a receipt for their Final Documents filed with the Commission on December 9, 2005.

#### **Decision**

The Commission is satisfied that the Requested Relief would not be prejudicial to the public interest.

The decision of the Commission is that the Requested Relief is granted, provided that the Auditors are reinstated as a participating audit firm to the CPAB Program no later than February 15, 2006.

THE SECURITIES LEGISLATION OF
BRITISH COLUMBIA, ALBERTA, SASKATCHEWAN,
MANITOBA AND ONTARIO
(the Jurisdictions)

AND

IN THE MATTER OF THE MUTUAL RELIANCE REVIEW SYSTEM FOR EXEMPTIVE RELIEF APPLICATIONS

AND

IN THE MATTER OF QTRADE ASSET MANAGEMENT INC. (the Filer)

#### MRRS DECISION DOCUMENT

#### **Background**

 The local securities regulatory authority or regulator (the Decision Maker) in each of the Jurisdictions has received an application from the Filer, on its own behalf and on behalf of its present and future representatives from time to time, for a decision under the securities legislation of the Jurisdictions (the Legislation) to grant an exemption, pursuant to section 9.1 of National Instrument 81-105 Mutual Fund Sales Practices (NI 81-105), from the prohibition against payment

of certain rebates of redemption commissions or fees contained in subsection 7.1(1)(b) of NI 81-105 to the extent necessary to permit rebates of redemption commissions or fees to be paid by such representatives of the Filer to clients who purchase units of mutual funds managed by Qtrade Fund Management Inc. ("QFM"), an affiliate of the Filer, following an early redemption of mutual fund securities or units of an unaffiliated mutual fund family.

Under the Mutual reliance Review System for Exemptive Relief Applications

- the British Columbia Securities Commission is the principal regulator for this application, and
- (b) this MRRS decision document evidences the decision of each Decision Maker.

#### Interpretation

 Defined terms contained in National Instrument 14-101 *Definitions* have the same meaning in this decision unless they are defined in this decision.

#### Representations

- This decision is based on the following facts as represented by the Filer:
  - the Filer is a corporation existing under the Canada Business Corporations Act with its head office in Vancouver, British Columbia; the Filer is registered under the securities laws of each of the Jurisdictions in the category of mutual fund dealer;
  - 2. the Filer is a wholly owned subsidiary of Qtrade Canada Inc. ("Qtrade Canada"); QFM is the manager of the QFM Funds, a family of open-ended mutual fund trusts (individually, a "Fund", collectively, the "QFM Funds") whose securities are offered under a simplified prospectus dated January 27, 2005, in the Provinces of British Columbia, Alberta, Manitoba and Ontario (the "Prospectus"); the Prospectus is currently in the process of being renewed on a proforma basis in these jurisdictions and filed on a preliminary basis in the Province of Saskatchewan: QFM and Qtrade Securities Inc., an entity which provides brokerage services to the QFM Funds, are also wholly owned subsidiaries of **Qtrade Canada:**
  - the Filer is an affiliate of QFM and is therefore a "member of the organization" of the QFM Funds pursuant to NI 81-105;

- 4. currently the QFM Funds offer A, B & F Series units and are offered on the basis of a front-end load or low deferred sales charge option; as part of the Prospectus renewal a deferred sales charge option will be introduced; when an investor purchases units of a Fund on a low deferred sales charge basis and, in the future on a deferred sales charge basis, the investor does not pay a sales charge at the time of purchase; under the low deferred sales charge or deferred sales charge (either, the "Redemption Charge") option, a redemption fee, which diminishes annually as a percentage of the original cost of the Fund units so purchased, applies to redemptions, subject to an annual free redemption allowance of a prescribed number of units as disclosed in the Prospectus of the QFM Funds:
- the Filer is a participating dealer for most mutual funds offered for sale in Canada, including the QFM Funds; the Filer is not a principal distributor for the QFM Funds;
- paragraph 7.1(1)(b) of NI 81-105 prohibits the representatives of the Filer from paying rebates to clients who switch their investments from third party funds to QFM Funds;
- the decision to pay rebates to clients will be made by the representatives based on the best interests of the particular client:
- the Filer does not provide any incentive to its representatives to recommend units of the QFM Funds or any other securities or units of a mutual fund family over those of another mutual fund family;
- no representative of the Filer has an equity interest in the Filer or any other member of the organization of the QFM Funds; and
- 10. unless the exemption applied for is granted, a client who effects an early redemption of mutual fund securities or units that are subject to a redemption charge and who uses the proceeds thereof to purchase units of a Fund could not have the benefit of a rebate from a Filer representative, while a client who uses the proceeds of such redemption to purchase securities or units of a mutual fund unrelated to the Filer could have the benefit of a rebate from the Filer representative.

#### **Decision**

 Each of the Decision Makers is satisfied that the test contained in the Legislation that provides the Decision Maker with the jurisdiction to make the decision has been met.

The decision of the Decision Makers under the Legislation is that the Requested Relief is granted provided that:

- the cost of such rebate will be borne by the representative, and no direct or indirect reimbursement or other compensation will be payable by the Filer or any other member of the organization of the QFM Funds to the representative;
- the representative and the Filer will comply with the provisions of clause 7.1(1)(a) of NI 81-105;
- the Filer will comply with the disclosure and consent provisions of Part 8 of NI 81-105;
- 4. the clients of the Filer will be advised by the representative, in advance, that any rebate proposed to be made available by a representative in connection with the purchase of units of the QFM Funds:
  - (a) will be available to the client regardless of whether the redemption proceeds are invested in a Fund or a third party fund (to the maximum of the commission earned by the representative on the purchase); and
  - (b) will not be conditional upon the purchase of units of a Fund;
- the Filer representatives are not, and shall not be in the future, subject to quotas (express or implied) in respect of the distribution of the QFM Funds and shall continue to be entitled to offer competing third party funds to their clients;
- except as permitted by NI 81-105, neither the Filer nor any of its affiliates shall provide any incentive (express or implied) to any representative for recommending the QFM Funds over third party funds;
- the amount of the rebate that is borne by a representative shall be determined by the representative and the client; and

8. this decision shall cease to be operative with respect to a Decision Maker following the entry into force of a rule of that Decision Maker which replaces or amends section 7.1 of NI 81-105.

#### MRRS DECISION DOCUMENT

#### **Background**

The local securities regulatory authority or regulator (the "Decision Maker") in each of the Jurisdictions has received an application from the Filer (the "Application") on behalf of Income Financial Trust ("IFT") and Income Financial Plus Trust ("IFPT") for a decision under the securities legislation of the Jurisdictions (the "Legislation") granting approval of for IFPT to merge into IFT, as contemplated by section 5.5(1)(b) of National Instrument 81-102 Mutual Fund ("NI 81-102") (the Requested Relief). Under the Mutual Reliance Review System for Exemptive Relief Applications:

- the Ontario Securities Commission is the principal regulator for this application, and
- (b) this MRRS decision document evidences the decision of each Decision Maker.

#### Interpretation

Defined terms contained in National Instrument 14-101 *Definitions* have the same meaning in this decision unless they are defined in this decision.

#### Representations

This decision is based on the following facts represented by the Filer:

- 1. IFT is an investment trust established under the laws of the Province of Ontario on January 27, 1999 pursuant to a trust agreement between Quadravest Inc. (the "Manager") and the Royal Trust Company as trustee (the "Trustee"). IFPT is an investment trust established under the laws of the Province of Ontario on January 29, 2002 pursuant to a trust agreement between the Manager and the Trustee. The Filer is the manager ("Manager") of both IFT and IFPT (collectively, the "Trusts"). Quadravest Capital Management Inc. ("Quadravest"), a subsidiary of the Filer, is the investment manager of each of the Trusts. The principal office address of each of the Trusts, the Manager and Quadravest is in Toronto, Ontario.
- Units of IFT are qualified by long-form prospectus dated January 27, 1999. Units of IFPT are qualified by long form prospectus dated January 29, 2002. Units of both Trusts are not in continuous distribution, but currently trade on the Toronto Stock Exchange ("TSX").
- 3. The primary investment focus of both IFPT and IFT is to invest in a portfolio of financial services companies from the S&P/TSX Capped Financials Index, the S&P Financials Index or the S&P MidCap Financials Index. As at December 31, 2005, 90% of the portfolio securities held in each Filer's portfolio are the same securities.
- The Merger was approved by unitholders of IFT at a meeting held on December 21, 2005 and was approved by unitholders of IFPT at a meeting held on February 2, 2006.
- 5. Upon the implementation of the Merger, units of IFPT will be exchanged for units of IFT at an exchange ratio (the "Exchange Ratio") calculated based on the relative net asset value of each of the Filers as at the close of trading on the TSX on the business day prior to the date the Merger is to be effective (the "Effective Date").
- 6. In lieu of the annual retraction right at net asset value occurring in March 2006, unitholders of IFPT will be permitted to redeem their units at their net asset value effective February 15, 2006, with payments of the proceeds of redemption to be made on or before February 22, 2006. Unitholders who do not wish to become unitholders of IFT and who therefore wish to take advantage of this redemption right will be required

to give notice in the usual manner no later than the close of business on February 13, 2006.

- On the Effective Date, IFPT will transfer all of its 7. assets to IFT in consideration for an amount (the "Purchase Price") equal to the fair market value of the assets transferred to IFT on the Effective Date. IFT will satisfy the Purchase Price by assuming IFPT's liabilities and by issuing to IFPT that number of units of IFT (rounded down to the nearest whole unit) equal to the number of units of IFPT then outstanding multiplied by the Exchange Ratio. Immediately thereafter, the units of IFPT will be redeemed and the Manager will pay the redemption price therefore by delivering the applicable number of units of IFT to unitholders of IFPT, with each unitholder receiving that number of units of IFT (rounded down to the nearest whole unit) as is equal to the Exchange Ratio multiplied by the number of units of IFPT held by such unitholder immediately prior to the completion of the Merger.
- Following the Merger, IFPT will be terminated and the units of IFT (including the units issued in connection with the Merger) will continue trading on the Toronto Stock Exchange (the "TSX") under the symbol "INC".
- 9. The Filer has filed press releases and material change reports to announce the Merger.
- Should the Requested Relief be granted, the Manager intends to effect the Merger on February 28, 2006.
- 11. The Filer submits that the Merger will result in the following benefits:
  - lower operating costs are expected to be realized and a lower base management and administration fee will be charged under a merged Trust;
  - (b) there will be a cap on the operating expenses in the merged Trust until December 31, 2007; and
  - (c) securityholders of each Trust will benefit from becoming investors in a larger merged Trust which, due to larger market capitalization, should increase liquidity on the TSX.
- If the Merger is approved, the costs of implementing the Merger will be borne by the Manager.

#### Decision

Each of the Decision Makers is satisfied that the test contained in the Legislation that provides the Decision Maker with the jurisdiction to make the decision has been met

The decision of the Decision Makers under the Legislation is that the Requested Relief is granted.

#### Representations

This decision is based on the following facts represented by the Filer:

- Each Fund and Anticipated Fund is or will be an open-end mutual fund trust established under the laws of Ontario of which the Manager is both the trustee and manager. Each Fund and Anticipated Fund is currently or will be a reporting issuer in those Jurisdictions whose securities legislation contemplates such status and distributes its securities under a simplified prospectus and annual information form dated March 22, 2005 and August 8, 2005 or will distribute its securities under a simplified prospectus and annual information form.
- The investment practices of each Fund and Anticipated Fund comply or will comply in all respects with the requirements of Part 2 of NI 81-102 except for the Requested Relief.
- Each short sale made by a Fund or Anticipated Fund will be subject to compliance with the investment objective of such Fund or Anticipated Fund.
- In order to effect a short sale, a Fund or Anticipated Fund will borrow securities from either its custodian or a dealer (in either case, the "Borrowing Agent"), which Borrowing Agent may

be acting either as principal for its own account or as agent for other lenders of securities.

- Each Fund and Anticipated Fund will implement the following controls when conducting a short sale:
  - (a) securities will be sold short for cash, with the Fund or Anticipated Fund assuming the obligation to return to the Borrowing Agent the securities borrowed to effect the short sale:
  - (b) the short sale will be effected through market facilities through which the securities sold short are normally bought and sold;
  - (c) the Fund or Anticipated Fund will receive cash for the securities sold short within normal trading settlement periods for the market in which the short sale is effected;
  - (d) the securities sold short will be "liquid securities" in that:
    - the securities will be listed and posted for trading on a stock exchange, and
      - A. the issuer of the security will have a market capitalization of not less than CDN\$300 million, or the equivalent thereof, at the time the short sale is effected; or
      - B. the investment advisor will have pre-arranged to borrow for the purposes of such short sale:

or

the securities will be bonds, debentures or other evidences of indebtedness of or guaranteed by:

- the Government of Canada or any province or territory of Canada; or
- (ii) the Government of the United States of America;
- (e) at the time securities of a particular issuer are sold short by a Fund or Anticipated Fund:

- (i) the aggregate market value of all securities of that issuer sold short by the Fund or Anticipated Fund will not exceed 2% of the net assets of the Fund or Anticipated Fund; and
- (ii) the Fund or Anticipated Fund will place a "stop-loss" order with a dealer to immediately purchase for the Fund or Anticipated Fund an equal number of the same securities if the trading price of the securities exceeds 115% (or such lesser percentage as the Manager may determine) of the price at which the securities were sold short:
- (f) the Fund or Anticipated Fund will deposit Fund or Anticipated Fund assets with the Borrowing Agent as security in connection with the short sale transaction;
- (g) the Fund or Anticipated Fund will keep proper books and records of all short sales and Fund or Anticipated Fund assets deposited with Borrowing Agents as security;
- the Fund or Anticipated Fund will develop written policies and procedures for the conduct of short sales prior to conducting any short sales; and
- the Fund or Anticipated Fund will provide disclosure in its simplified prospectus of the short selling strategies and the details of this exemptive relief prior to implementing the short selling strategy.
- 6. At a meeting of the unitholders held on December 22, 2005 (the "Meeting"), the unitholders approved a contemplated future merger of Orbit Canadian Equity Fund and Orbit North American Equity Fund and continuation under the new name "frontierAlt All Terrain Canada Fund". The unitholders further approved a contemplated future change of name of Orbit World Fund to "frontierAlt All Terrain World Fund". Furthermore, it is anticipated that a prospectus establishing the new "frontierAlt All Terrain Bond Fund" will be filed with the securities regulators early in 2006. The Manager will continue to act as manager for these Anticipated Funds.

#### Decision

Each of the Decision Makers is satisfied that the test contained in the Legislation that provides the Decision Maker with the jurisdiction to make the decision has been

met. The decision of the Decision Makers under the Legislation is that the Requested Relief is granted provided that:

  - (c) the trading limits and other controls on short selling and who is responsible for authorizing the trading and placing limits or other controls on the trading;
  - (d) whether there are individuals or groups that monitor the risks independent of those who trade; and
  - (e) whether risk measurement procedures or simulations are used to test the portfolio under stress conditions;
- 12. whenever the Fund or Anticipated Fund prepares financial statements, the following information is included:

- (a) the statement of net assets of the Fund or Anticipated Fund records the securities sold short as a liability with the Fund's or Anticipated Fund's assets deposited as security with Borrowing Agents for securities sold short recorded as an asset; and
- (b) the dividends and other income received on borrowed securities in connection with securities sold short are shown as an expense on the statement of operations of the Fund or Anticipated Fund; and
- the Requested Relief shall terminate upon the coming into force of any legislation or rule of the Decision Makers dealing with matters referred to in subsections 2.6(a), 2.6(c) and 6.1(1) of NI 81-102.

### **Request for Comments**

### 6.1.1 Proposed Amendment to OSC Rule 31-502 – Proficiency Requirements For Registrants

### REQUEST FOR COMMENTS

## PROPOSED AMENDMENT TO RULE 31-502 – PROFICIENCY REQUIREMENTS FOR REGISTRANTS

### Introduction

The Commission is proposing an amendment to Rule 31-502 – Proficiency Requirements for Registrants.

### **Substance and Purpose of Proposed Amendment**

The proposed amendment would remove limits on the number of "restricted representatives" an investment dealer may employ. Restricted representatives have their registration restricted to the sale of mutual funds as a condition of their eligibility for a temporary exemption from the proficiency requirements that are otherwise applicable to investment dealer salespersons. The amendment is proposed because these limits are no longer needed.

The amendment would be as follows: "Rule 31-502 – *Proficiency Requirements for Registrants* is amended by deleting paragraph 2.1(3)(c) and adjusting the punctuation of subsection 2.1(3) accordingly".

### **Summary of the Proposed Amendment**

Section 2.1 of Rule 31-502 prescribes proficiency requirements for salespersons of investment dealers (it also refers to brokers and securities dealers, but these are no longer used as categories of registration). Subsection 2.1(3) provides a temporary exemption from the usual proficiency requirements, allowing investment dealer salespersons newly-hired from mutual fund dealers to have their registration restricted to the sale of mutual funds for a period of 270 days so that they may have an opportunity to complete the courses required for unrestricted registration.

The provision that the proposed amendment would delete, paragraph 2.1(3)(c), limits the number of such restricted representatives that an investment dealer may employ in Ontario at any given time.

The limitation reflects former concerns of the Canadian Securities Administrators that unlimited access to the restricted representative exemption might threaten the viability of the Mutual Fund Dealers Association of Canada, which was in the process of organizing at the time when subsection 2.1(3) was added to the Rule. This does not appear to be a concern at this time. There is no other reason to retain the limitation in paragraph (c).

### **Authority for Proposed Amendments**

The following provisions of the Securities Act provide the Commission with authority to make the Rules and as such, to amend them: Paragraph 143(1)1 authorizes the Commission to make rules prescribing requirements in respect of applications for registration and the renewal, amendment, expiration or surrender of registration. Paragraph 143(1)2 authorizes the Commission to make rules prescribing the conditions of registration or other requirements for registrants or any category or sub-category of registrant.

### **Alternatives Considered**

The Commission considered maintaining the limitation in paragraph 2.1(3)(c), but prefers to avoid unnecessary restrictions on the availability of exemptions under the Rule or the Act generally.

### **Unpublished Materials**

In proposing this amendment, the Commission has not relied on any significant unpublished study, report, decision or other written materials.

\_

<sup>&</sup>lt;sup>1</sup> Discussed in the Notice of Proposed Changes to Proposed Rule 31-502 dated September 17, 1999.

### **Anticipated Costs and Benefits**

The Commission believes that the proposed amendment would remove an out-dated restriction on investment dealers' access to a useful exemption for certain newly-hired registrants. There will be no new costs resulting from the amendment if it is adopted.

### **Regulations Revoked or Amended**

The proposed amendment does not require any regulations to be revoked or amended other than as described above.

### Comments

Interested parties are invited to make written submissions with respect to the proposed amendments. Submissions received by May 31, 2006 will be considered.

13.1.1 Summary of Public Comments Respecting Proposed Amendments to MFDA Rule 2.1.4 and Response of the MFDA

# SUMMARY OF PUBLIC COMMENTS RESPECTING PROPOSED AMENDMENTS TO MFDA RULE 2.1.4 AND RESPONSE OF THE MFDA

On September 23, 2005, the Ontario Securities Commission published for public comment the proposed amendments to MFDA Rule 2.1.4 (the "**Proposed Amendments**"). The MFDA proposal was published in Volume 28, Issue 38 of the <u>Ontario Securities Commission</u> Bulletin, dated September 23, 2005.

The public comment period expired on October 23, 2005.

Two submissions were received during the public comment period:

- 1. IGM Financial ("IGM")
- Investment Funds Institute of Canada ("IFIC")

Copies of comment submissions may be viewed at the offices of the MFDA, 121 King Street West, Suite 1000, Toronto, Ontario by contacting Laurie Gillett, Manager, Communications and Membership Services (416) 943-5827.

The following is a summary of the comments received, together with the MFDA's responses.

# **General Comments**

IGM expressed an overall concern with respect to the "extremely broad nature of the amendments and its impact on the business of the Member."

IGM also noted that the Investment Dealers Association does not have a provision equivalent to Rule 2.1.4.

# MFDA Response

The Proposed Amendments do not broaden the application of the existing Rule, but rather are intended to simply clarify the role of the Approved Person in the management of conflicts of interest, as Approved Persons are important points of contact with clients in the conduct of Member business. Our intent is that interpretation of the amended Rule will be consistent with past and present practice, with the additional expectation that Approved Persons must notify the Member when they identify a potential conflict of

interest and act accordingly in resolving the issue in the best interests of the client.

As we apply the Rule presently, MFDA staff do not contemplate requiring Members to anticipate every possible conflict, regardless of the remoteness of a problem arising, and provide written disclosure to clients. Rather it is intended that written disclosure be provided where there is a substantial likelihood that a reasonable client would consider the conflict important when entering into a proposed transaction.

It is important to note that there are two distinct aspects under both the existing and the amended Rule 2.1.4. There is a requirement that written disclosure be provided to clients of potential conflicts that have been identified, but there is also an obligation to address the conflict by the exercise of responsible business judgment influenced only by the best interest of the client. In satisfying this second requirement, MFDA Staff expect that in many cases Members will take action that goes beyond simple disclosure. For example, this may involve prohibiting the proposed transaction or advising the client to obtain independent advice prior to proceeding with the proposed transaction.

With respect to the issue of an equivalent provision under IDA rules, it is our understanding that the IDA is in the process of amending its by-laws so that, in addition to specific requirements that would be imposed in relation to certain types of conflicts of interest, proposed IDA By-law 29.31 would also include a general requirement that IDA member firms must ensure that disclosure of conflicts of interest is made to clients in all situations in which there is a substantial likelihood that a reasonable client would consider the conflict important in making an investment decision.

The comments go well beyond the issues arising from the proposed amendments and relate mainly to the existing Rule. The appropriate response, therefore, is to provide more general guidance on the position of MFDA staff with respect to the interpretation of the amended Rule 2.1.4, and we will be issuing a Member Regulation Notice to address questions regarding the intended scope and application of the Rule.

# **Definition of Conflict of Interest**

The commentators suggested that the general rule should include a definition of "conflict of interest" or more specific guidance as to situations giving rise to conflicts of interest. This guidance would either specifically exclude certain types of conflicts or provide an exclusion from the definition if there was adequate disclosure provided to the client, for example in the case if a related party issuer.

#### **MFDA Response**

Rule 2.1.4 is intended to function as a rule of general application with respect to the treatment of conflicts. It is meant to provide Members with a broad principle under which specific standards are to be created to resolve and manage the conflicts that Members encounter in the conduct of business. MFDA staff are concerned that by including a precise definition with exclusions from the rule, the benefits of the principled approach we have taken with respect to this issue will be lost. The inclusion of a definition may encourage the practice of structuring business in such a way to take advantage of technical exclusions, while ignoring the general purpose of the rule to ensure that conflicts are properly managed with the clients' best interests in mind.

Both commentators provided examples of situations to illustrate their point that disclosure provided in accordance with present standards would be enough to address the conflicts arising in those situations. MFDA staff recognize that the principle contained in the rule can in many cases be addressed simply through disclosure. However, we do not believe it is necessary or practical to attempt to include in the rule a list of situations where the rule can be satisfied by way of disclosure alone.

# **Materiality of Conflicts**

Both commentators suggested that a materiality threshold be included in the general rule, and that it is unreasonable to expect that each and every conflict regardless of materiality be subject to the rule. The commentators noted that the concept of nominal value monetary and nonmonetary benefits to and from clients have already been dealt with in Member Regulation Notice MR-0047, supporting the concept of exceptions from the conflicts rule based on materiality.

# **MFDA Response**

MFDA staff do not expect that every conflict regardless of materiality would be subject to the requirements of Rule 2.1.4. Rather, as noted above, it is intended that written disclosure be provided where there is a substantial likelihood that a reasonable client would consider the conflict important when entering into a proposed transaction.

# Compliance with other Rules

Both commentators suggested that the general rule clearly provide for exemptions from having to comply with the rule if there is compliance with other applicable rules such as the commission rebate rules, referral arrangements, etc. In particular, the commentators also requested clarification and guidance respecting the application of Rule 2.1.4 to outside business activities.

### **MFDA** Response

MFDA staff take the position that it would not be appropriate to provide for an explicit exemption from the

general rule, where compliance with other rules and regulations can be demonstrated. As noted above, Rule 2.1.4 is intended to function as an overarching principle that must be observed when dealing with conflicts of interest. In many cases compliance with specific rules created to deal with particular situations that involve conflicts of interest may be sufficient to discharge the Member's and Approved Persons' responsibilities under the Rule. However, there are other situations where existing requirements do not necessarily adequately address the conflict issue. As an example, simple disclosure of referral fees under MFDA Rule 2.4.2 may not be sufficient to properly address conflict issues that arise under certain referral arrangements. As stated in Member Regulation Notice #0047 (Personal Financial Dealings with Clients), the appropriate course of action to address a conflict of interest will depend on the nature of the conflict and the client's circumstances. In situations involving a potentially significant conflict of interest, the exercise of responsible business judgment may require a prohibition on the type of transaction giving rise to the conflict.

With respect to outside business activities, MFDA Staff expect Members to consider issues relating to potential conflicts of interest that may arise from the Approved Person's duties as a salesperson and his or her outside business activity prior to approving such activity. As stated in Member Regulation Notice #0040, this would include consideration of compensation to be paid under the arrangement, the nature of the relationship between the Approved Person and the outside entity, and any other potential conflicts that are identified. If any such conflict cannot be properly managed in accordance with Rule 2.1.4, the outside activity should not be permitted. Members also have an ongoing obligation to monitor outside business activities for conflicts of interest that may arise. Where conflicts of interest arise from the Approved Person's duties as a salesperson and his or her outside business activity. Members must determine what action is appropriate to address the conflict. Such action may involve providing disclosure or if the conflict is significant and direct and cannot be resolved in favour of the client, a Member may be required to prohibit the activity.

#### **Exercise of Business Judgment**

Both commentators suggested that the exercise of business judgment is related to the concept of materiality. The commentators suggested that a broader exception to having to specifically raise all conflicts with the client be permitted on the basis of the business judgment rule.

# MFDA Response

As noted above, MFDA staff do not contemplate requiring Members to anticipate every possible conflict, regardless of the remoteness of a problem arising, and provide written disclosure to clients. Rather it is intended that written disclosure be provided where there is a substantial likelihood that a reasonable client would consider the conflict important when entering into a proposed transaction.

13.1.2 MFDA Hearing Panel Issues Decision and Reasons respecting Stephan Headley Disciplinary Hearing

NEWS RELEASE For immediate release

# MFDA HEARING PANEL ISSUES DECISION AND REASONS RESPECTING STEPHAN HEADLEY DISCIPLINARY HEARING

**February 22, 2006** (Toronto, Ontario) – A Hearing Panel of the Ontario Regional Council of the Mutual Fund Dealers Association of Canada ("MFDA") has issued its Decision and Reasons in connection with the disciplinary hearing held in Toronto, Ontario on December 14, 2005 in respect of Stephan Headley.

As previously announced, at the hearing held on December 14, 2005, the Hearing Panel found that the two allegations set out by MFDA staff in the Notice of Hearing dated September 8, 2005, summarized below, had been established:

- Allegation #1: Between April 2003 and February 2004, Mr. Headley misappropriated the total amount of approximately \$155,000 obtained from two of his clients and during that time period he failed to return or truthfully account for these monies, thereby failing to deal fairly, honestly and in good faith with such clients, contrary to MFDA Rule 2.1.1.
- Allegation #2: Commencing in or around November 2004, Mr. Headley failed to produce for inspection and provide copies of documents and information requested by the MFDA for the purpose of investigating a complaint made against him, contrary to s. 22.1 of MFDA By-law No. 1.

The following is a summary of the Orders made by the Hearing Panel:

- A permanent prohibition on Mr. Headley from conducting securities related business in any capacity;
- 2. A fine in the amount of \$100,000 in respect of Allegation No. 1;
- 3. A fine in the amount of \$50,000 in respect of Allegation No. 2;
- 4. Costs in the amount of \$7,500.

A copy of the Decision and Reasons is available on the MFDA website at www.mfda.ca.
